Customer Reviews, including Product Star Ratings help customers to learn more about the product and decide whether it is the right product for them. To calculate the overall star rating and percentage breakdown by star, we don't use a simple average. Instead, our system considers things like how recent a review is and if the reviewer bought the item on Amazon. It also analyzed reviews to verify trustworthiness. Search Preferences Mar 22, 2013 Shelli rated it really liked it My daughter and I have LOVED reading this text book for our 6th grade world history. She doesn't even want to return it at the end of our school year. The information is presented in a relatively easy to follow way. Each section lists several ideas for students and teachers to further delve into the subject in very creative ways. The readers theaters were some of our favorite parts, I only wish there had been even more of these. I would highly recommend this text book to any homeschooling parent My daughter and I have LOVED reading this text book for our 6th grade world history.
